LEADERSHIP

means superiority; continued leadership implies progress; acknowledged leadership over many competitors shows undeniable merit.

We have the largest Fire Insurance Agency in Kansas, and do more business than all the other local agencies combined.

OUR PATRONS.

During the many years we have been in the Fire Insurance business, we have been constantly patronized by the Leading Business Men, County and City Corporations, Churches of all denominations, the principal Lending Companies, and Banks, the confidence of all of whom we possess.

PROMPT ADJUSTMENT

Our Promptness and Liberality in the adjustment and payment of losses has secured for our agency an enviable reputation.

Much litigation comes through improperly drawn contracts for insurance. We have made a study of insurance contracts, and claim to be experts on insurance foras, losses, and all the details of insurance generally, and the volume of our business puts us in the best possible position to accommodate our patrons. We offer you the very best insurance that can be purchased, and in case of loss we guarantee a prompt and just settlement.

WE SOLICIT YOUR PATRONAGE.

REAL ESTATE DEPARTMENT.—We make a specialty of choice Real Estate Investments, and can interest prospective purchasers.
