St. Mary's Mission K.C. May 8 '55

Dear Sir,

On my coming back from a trip in the South of K.P. I found at St. Mary's your very kind and amiable favor of April 22 '55, with a number of the Kansas City Enterprise. I read with the greatest pleasure your article "The Wa-Banet." The fact is highly interesting, well conducted, masterly described, and I must confess it was refreshing to me to find your "Father Antoine," of St. a member of the Society of Friends to which I belong, so kindly, yet so truly representative. It is so seldom that Friends meet with so generous and kind expressions, even from most of those who spend their time in historical researches, that I feel bound to give you for it my thankful acknowledgements. I see with pleasure that the Wyandotte keep fresh yet in their mind their old grievances, and I feel confident that your serious and conscientious studies on this history will powerfully contribute to the advantage and glory of a nation which claims you as its enlightened Chief and most zealous protector of its rights.

I remain with the highest consideration
yours respectfully

Bishop Knigge
