

Enclosed you will find a ~~copy~~ address to the Commr of the Gen Land Office

I have complied with all that is required by the 9th article of the treaty of Jan 55 and even paid the expenses of survey while the Govt paid for others. And yet it is strange we cannot get our money.

Twenty one years have now elapsed since these grants were made and yet cannot realize this benefit. A generation has passed away and these grants still withheld ^{as a legacy}

Are we to leave this unsettled business to our grand children to adjust? I beg that as far as your Dept can act in this matter that it will act
