Dear Sir & Friend
 Yours of recent date has
 been received and also the
 book and we are very thankful
 to you for it. I met with the
 editor of My Kagee ~~Thorn~~
 Phoenix and he is going to
 get up something about the
 same as you are getting up
 but he is going to ^{write} the history of
 all the tribes of the I.T. and I
 believe you would be a useful
 to him in that business. I told
 him about you and hope you
 have heard from him

I am yours truly

H. J. Mudeater
